ORDER

VALERIE CAPRONI, United States District Judge:

WHEREAS the parties appeared for a status conference on July 24, 2020;

WHEREAS Defendant Nestlé Waters North America Inc. requested that Plaintiff's deposition be reopened for the limited purpose of questioning her on approximately 200 pages of late-produced documents and on the issue of spoliation;

WHEREAS Defendant requested an independent medical examination; and

WHEREAS Plaintiff intends to submit an expert to rebut Defendant's examiner;

IT IS HEREBY ORDERED that, for the reasons stated at the conference, Plaintiff's deposition shall be reopened as to the two topics discussed and must be completed by **August 14, 2020**. The independent medical examination and any examination by an independent therapist retained by Plaintiff must be completed by **August 21, 2020**. The parties shall work out a mutually agreeable schedule for exchange of medical reports; any deposition of experts must be complete by **September 30, 2020**. Defendant's motion for summary judgment shall be filed by **October 30, 2020**; Plaintiff's response shall be filed by **December 1, 2020**; Defendant's reply shall be filed by **December 22, 2020**. The parties may request a referral to the assigned

magistrate judge for a settlement conference—if such a conference would be productive—by filing a joint letter with the Court.

SO ORDERED.
